Skerries fishing boats — the tough Orkney breed

Vessels in service in UK, Ireland, Iceland, France, Denmark, etc.

Developed and proven on one of the world's toughest stretches of water — the Pentland Firth.

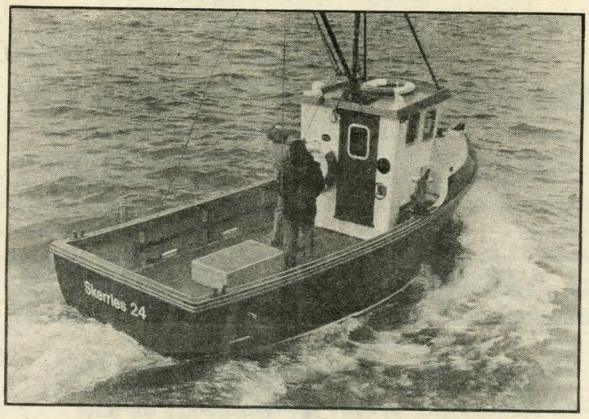

Skerries
Complete heavy-duty fishing boat features

29ft shown, others similar

ALL Orcantic hulls are full displacement

Below: The second production Skerries '24' does 7½ knots on a 30 hp Lister.
Right: Just delivered for lobster creeling and long lining in the Isle of Lewis is the '36', *Dunan Star*, for the brothers Macleod. (6-cyl. Lister.)
We also mould a '50' and a '54' — just ask for details.

Maximum use of GRP: moulded under Lloyd's supervision = **MINIMUM MAINTENANCE**

Heavy-duty GRP hulls, decks, wheelhouses, internal mouldings **TOP QUALITY THROUGHOUT**
